Myself and the Lads headed off to Game1 over the weekend for a Call of Duty tournament. Unfortunately we registered too late for the Halo 2 Tourney so entered COD3 as a last minute choice. Although the guys had never played the game they came a very respectable 4th! well done guys.

We met heaps of cool people, including Luke and the guys from mygen.com.au , The Drop bears and the guys from Gameon and Xlink.

Game 1 is the latest convention for games in Aus and we got to play with the new NintendoWii, and a bunch of other cool stuff. It was held in conjunction with the Auto salon car show, and there was heaps of cool cars as well (you can check some of them out in the gallery)

Here are some of the boys making Friends :)

Check out the rest of the photos here. (I will reupload these soon)
