If you wanted to come to the lockin and haven't paid a deposit, we only have 5 spots left!

Actually its probably less than that, as we have a few people that have registered but not paid a deposit yet. If you would still like to come, be quick!!

For those that have not yet paid a deposit, just call and pay by credit card over the phone if you are unable to get here. 9982 7714.

For everyone else, get ready for some big games of Farcry and Halo 2.
