In preparation for School Holidays and our upcoming Game Rental Service, we now accept EFTPOS and Visa, Mastercard. No Amex or Diners.

Makes it heaps easier to buy the latest games off us now too.

Remember, if there is a Game you want (Any Format) we can order it in for you.

We can even order you a new Nintendo Wii if you really want it. They come out on December 7th.

Just note that we dont do cash out.

So now you can bring the plastic !
